About the Performers:

Shirl Lawrence & Steve Kaplan a/k/a Great Blue

Great Blue is a musical duo using two voices, guitars and mandolin to weave a fabric of eclectic tunes that warm the heart and feed the soul. Our memorable harmonies are carefully delivered to touch people by emphasizing their meaningful lyrics. We strive to pass on songs from our musical influences, and to showcase tunes we've crafted ourselves. When you wake up after one of our performances, you won't need a radio. The tunes will still be with you!
